Hans Hortig, hortig@arch.ethz.ch & Sascha Delz, delz@arch.ethz.ch

SESSION ON TERRITORY is a series of public debates on the political economy of architecture and territory. Focusing on how the epoch of the Anthropocene reframes our conceptions of the urban and shapes new ecologies, the seminar’s objective is to unravel contemporary forces at work in the formation of the built and natural environment, and, as importantly, to spur debates that challenge the status quo. Every intervention by a guest speaker is followed by a panel discussion with invited respondents.

24.09.2018
