in conversation with

Daniella Zetti and Jörg Stollman

02.03.2020

IRIS VAN DER TUIN and

NANNA VERHOEFF

Utrecht University

in conversation with

Benjamin Dillenburger

27.04.2020

INES WEIZMAN

Bauhaus-Universität Weimar

in conversation with

Diana Alvarez Marin and Elli Mosayebi

04.05.2020

PASCAL MÜLLER

Esri R&D

in conversation with

Fabio Gramazio

TECHNOLOGY

5 sessions on selected Mondays
16.00–18.00, ONA Focushalle E7
Neunbrunnenstr. 50
8050 Zürich (Oerlikon)

SESSION ON TERRITORY is a series of public debates on the political economy of architecture and territory. In the name of efficiency and productivity, technology transforms spatial practices and impacts the built and natural environment, propelling us into the ongoing Anthropocene era. The seminar aims to reflect on how machines and systems of modern material culture such as AI and automation can be critically discussed in the design field—beyond techno-fix, toward a constructive response.
